

12" FRAMEMASTER LETTERPLATES

For 20-40mm and 40-80mm Door Profiles

The UAP Anti Vandal 250mm 10 inch letterplate comes with both an external and internal flap to protect your customer's homes, and is available in 2 different depths (20-40mm for uPVC doors, and 40-80mm for composite and wooden doors).

ANTI SNAP FLAP

ANTI VANDAL

ANTI SCRATCH

ANTI BURGLAR

Features Include:

Outward facing brushes create the Anti-Vandal feature as it prevents vandals from placing unwanted items into the cavity

Outwards facing brushes also means better draught proofing and makes it easier to post letters through

180 degree opening flap means the flap will not snap off when opened too far

Matt finished plastic frame conceals any scratches that may be caused by screwdrivers during installation

Blind bolts to the exterior of the letterplate prevents the outer frame being unscrewed from the door externally

An internal water seal prevents water getting into the door or panel, and stops letters getting wet

Ultra-flexible springs can withstand the letterbox flap opening thousands of times without breaking

Revolutionary Patent pending self-aligning screw boss makes screwing the inner and outer frames together easy

Comes in 2 sleeve thicknesses – 20-40mm for uPVC doors and 40-80mm for wooden and composite doors

Conforms to many standards and testing requirements including BS EN 1303:2005
