

## LONG 243MM BACKPLATE DDA/EA COMPLIANT FRONT DOOR HANDLE

The UAP standard security DDA/EA front door handle has a 243mm long backplate, and is aimed at the fabricator who wants to offer a high quality designed DDA/EA front door handle. The handle has a curved end, which helps comply with DDA (Disability Discrimination Act)/EA (Equality Act) regulations, and is ideal for building and facilities that are accessible to disabled people.

Each DDA/EA front door handle is made from high grade stainless steel, and is part of the UAP Nanocoast range. The UAP Nanocoast range of products are specifically designed for areas which are within a 25 mile radius of the coast, or within 5 miles of highly populated industrial areas. Each DDA front door handle has been salt spray tested to ASTM B117 for 2,000 hours, and comes with an industry first LIFETIME coating guarantee, as the products will not pit, rust or corrode no matter what environments you put them in!

## Features Include:
