

Large Doctor Door Knocker

The Large Doctor Door Knocker perfectly merge timeless, eclectic style with traditional elements of a classic knocker. This means that it is ideal for more modern, contemporary home exteriors.

The door knocker comes with 2 perfectly-matching nuts and washers for effective colour co-ordination. The door knocker is fitted onto the door using revolutionary nylon bolts, which can fit door thicknesses of up to 75mm. They are incredibly easy to cut down to size if needs be-and all you need is a Stanley knife in order to complete this task-so no more sawing. The nylon bolts also do not condensate or rust, which means that your company's door will look pristine and impressive to your customers for an extended period of time, adding to an excellent customer perception of your company as a whole.

Classic style door knocker
