

SCROLL DOOR KNOCKER

This door knocker has bolt-through fixings, and comes with 2 perfectly-matching solid brass nuts and washers for effective colour co-ordination.

The door knocker is fitted onto the door using revolutionary nylon bolts, which can fit door thicknesses of up to 75mm. They are incredibly easy to cut down to size if needs be-and all you need is a Stanley knife in order to complete this task-so no more sawing.
