

Pull Handle Guarantee Details

UAP Ltd distribute a wide range of 304 and 316 grade stainless steel Nanocoast pull handles.

Nanocoast pull handles are available in mirror polished and satin stainless finishes, and we guarantee these products and finishes against the following:

Surface Coating Failure

Coating Guarantee = the sooner of "the guarantee supplied for the door or window from the manufacturer" or "Lifetime"

We guarantee that Nanocoast pull handles will not tarnish for the lifetime that they are on the door subject to;

1. The pull handles are applied to a door, window frame or door panel and no item of door furniture on the door, window frame or door panel are sealed or fixed using any form of silicone sealant or the like.
2. The pull handles are fixed correctly and the right way around using the correct fixings, and are not scratched or damaged at any time during the installation process or thereafter.
3. The pull handles are cleaned with a lemon based very mild soap solution and a soft cloth once a month, or every 2 weeks in areas of high sea salt such as coastal areas. At no point should any form of cleaning agents be used.
4. No claim will be accepted for any pull handle that is scratched or mutilated or fitted incorrectly.
5. The guarantee only applies if the pull handle is fixed to the original door for which it was bought and fitted by the installer. The guarantee will cease immediately if the pull handle is removed from the original door or window.

Mechanical Failure

Mechanical Guarantee = the sooner of "the guarantee supplied for the door or window from the manufacturer" or "10 years"

We guarantee that the pull handles will not fail mechanically during the 10 year guarantee period subject to the conditions outlined above.

Claiming Under the Guarantee

Every product must be inspected before they are fitted on to a door, window frame or door panel for any defects. If any defects are found then the product must not be fitted and the fault reported immediately to UAP Limited. Any product fitted is assumed to have been inspected and approved as being fit for purpose.

To make a claim under the guarantee, UAP Limited must receive in writing the product code of the item, the full details of the problem, the date the product was purchased, the date of manufacture of the unit in question and the address of the installation.

We will require all 'faulty' items to be sent to ourselves at the address below by first class recorded delivery post. We will then examine the item in question and confirm whether the item is covered by the guarantee. If it is not covered by the guarantee we will advise you, the customer, in writing of the reason for rejecting the claim.

Limitations of the Guarantee

UAP Limited's guarantee will be limited solely to the replacement of the item purchased from UAP. There is no liability whatsoever for consequential damages or costs, howsoever calculated or incurred. UAP Limited will enforce and rely fully upon their terms and conditions of sale in all aspects other than the limitation set out above. UAP will also pay for the cost of the recorded delivery, if and only if, the product is deemed to be covered by the terms of the guarantee set out above.

Payment of the Guarantee

UAP reserve the right to discharge the guarantee claim in the form of replacement products at the customer's normal buying price at the time of the complaint being received by UAP Limited.

Time Limit on Guarantee Claims

UAP will only be liable for claims made within a maximum period of 10 years from the date of purchase of the products from UAP Limited.

Correspondence Address for all Guarantee Claims

Any guarantee claim must adhere to the system set out above in all respects and must be made in writing to: UAP Limited, Unit 1 Albert Close Trading Estate, Whitefield, Manchester, M45 8EH.

The terms of this guarantee may be varied by UAP Limited at any time at our own discretion. Please see www.uapcorporate.com for up to date product guarantees.
