

ALUMINIUM STANDARD FRONT DOOR HANDLE

The UAP standard aluminium security front door handle has a 219mm or 243mm long backplate, and is aimed at the fabricator who wants to offer a high quality designed front door handle. Each front door handle is made from aluminium and has a 5 year coating guarantee.

Contemporary and modern in appearance, the standard aluminium front door handle has been cleverly designed to offer a very comfortable grip when operating.

It is recommended to use a UAP Kinetica 3* Kitemarked euro cylinder with the door handles in order to give you the best security. and to achieve a 3 star Kitemark status for PAS24 doors.

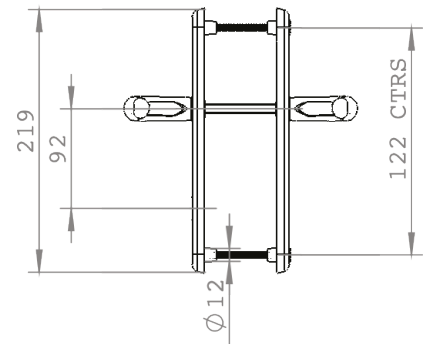

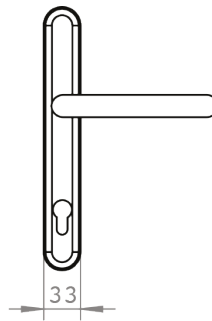

Features Include:

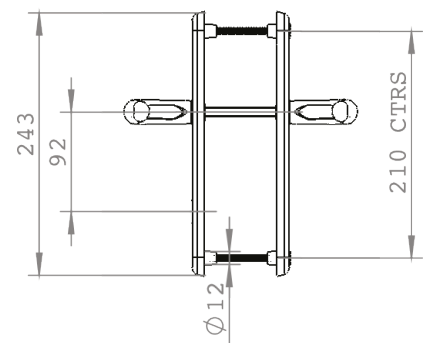

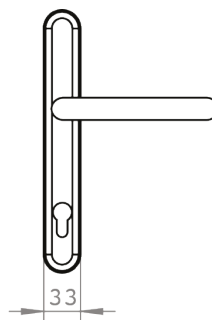

High quality designed handle
Available with 219mm or 243mm short backplate
Very comfortable grip when operating.
Handles are made from Aluminium
Each handle comes with a 5 year coating guarantee!
