

HIGH SECURITY STAINLESS STEEL DOOR HANDLE

The UAP high security front door handle has a 219mm or 243mm short backplate, and is aimed at the fabricator who wants to offer a high quality, ergonomically shaped and designed door handle range but who doesn't want to get involved in fitting a cylinder guard. This fit and forget handle is packed with state of the art features, and can be used by the professional installer offering a security upgrade service.

Features Include:

- 1 Hour Fire Rated
- High quality, ergonomically designed handle
- Has a 219mm and 243mm short backplate
- Anti drill resistance with integrated cylinder guard
- Attack Resistance and easy fitting with self adhesive tabs
- Water penetration resistance aided by the self adhesive tabs
- Cylinder and handle snapping protection
- Highly durable
