

6 INCH VICTORIAN URN HIDDEN FIX DOOR KNOCKER

The 6 inch Victorian Urn Hidden Fix Door Knocker from UAP has a super-strong, waterproof adhesive covering, so fixing a door knocker has never been so simple. It is an Patented, innovative and original product, which makes it highly desirable amongst customers looking for something affordable, cost-effective and durable.

This innovative Hidden Fix design completely removes the requirement to drill through the door, resulting in a far smoother and cleaner look on the inside. The risk of rot and water permeation is also eradicated, meaning call outs for remedial work on liable water damage will not be necessary. With the correct implementation, Hidden Fix Door Knockers can also be removed with ease and efficiency, leaving no damage to the door.
