solutions partner.*

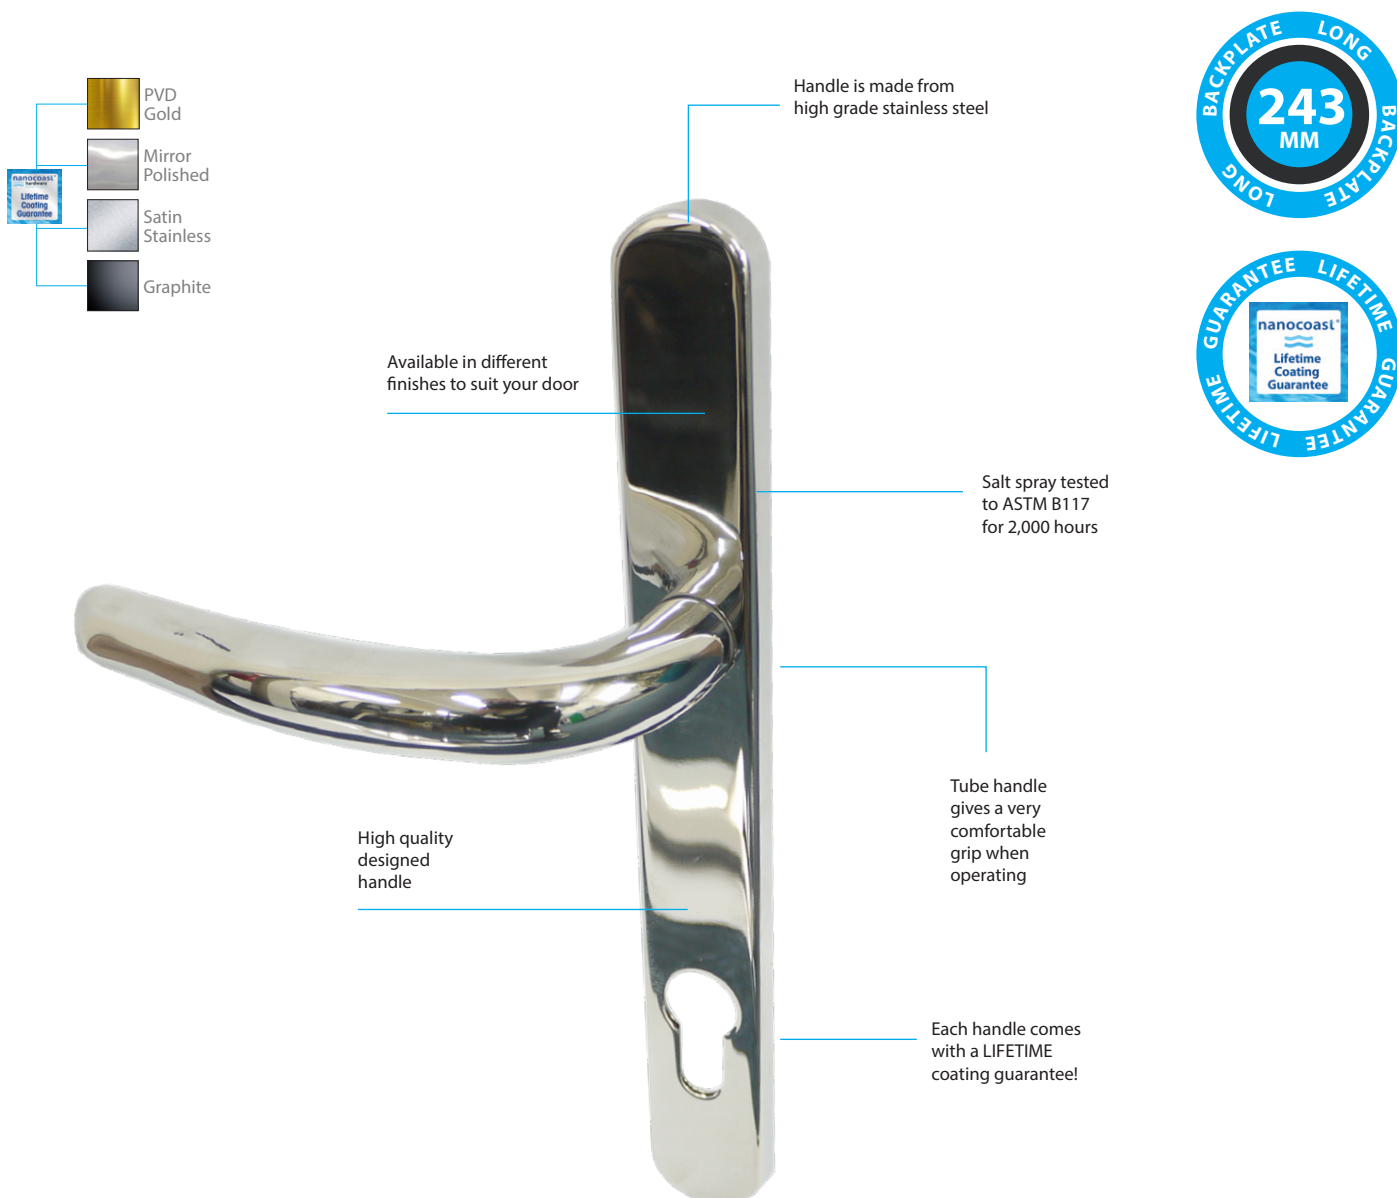

# STANDARD DOOR HANDLES

## STAINLESS STEEL DOOR HANDLE

The Nanocoast® Stainless Steel door handle has a 243mm long backplate. Both the internal and external part of the handle is manufactured from high quality stainless steel, offering corrosion resistant door handle.

These door handles are part of the Nanocoast® range of products, specifically designed for areas which are within a 25 mile radius of the coast, or within 5 miles of highly populated industrial areas. Each door handle has been salt spray tested to ASTM B117 for 2,000 hours and comes with an industry first LIFETIME coating guarantee, as the products will not pit, rust or corrode no matter what environments you put them in!

Finish	243mm Backplate	Material	Coating Guarantee
PVD Gold	DH243PVDG-NANOCOAST	Stainless Steel	LIFETIME
Mirror Polished	DH243MPSS-NANOCOAST	Stainless Steel	LIFETIME
Satin Stainless	DH243SSS-NANOCOAST	Stainless Steel	LIFETIME
Graphite *	DH243GRAPHITE-NANOCOAST	Stainless Steel	LIFETIME

\*Made to order

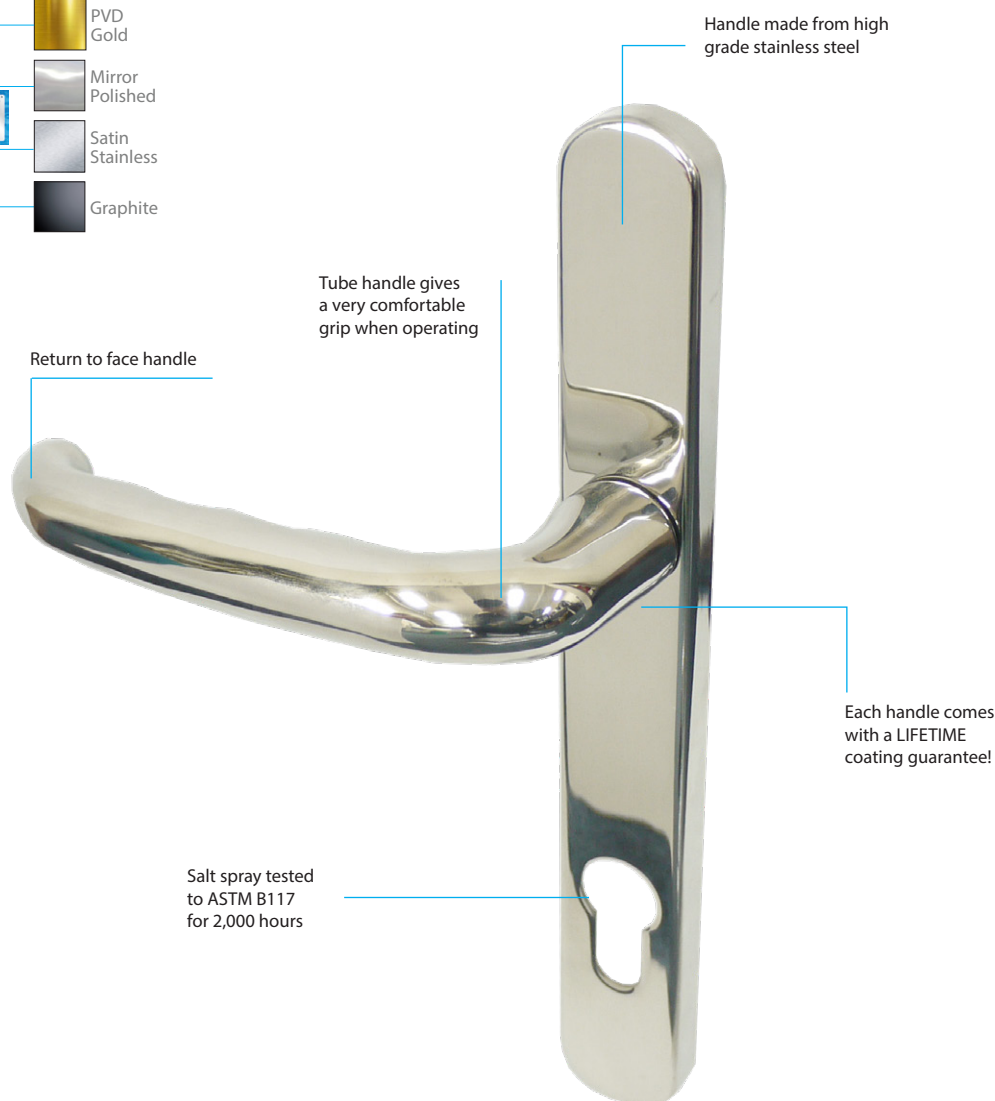

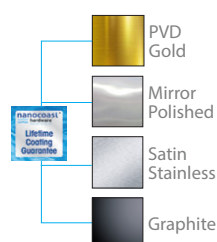

# DUO DOOR HANDLES

## STAINLESS STEEL DOOR HANDLE

The Nanocoast® DUO door handle has a 243mm long backplate, and is aimed at the fabricator who wants to offer a high quality designed door handle. The DUO door handle has a tube shaped handle, which gives a very comfortable grip when operating.

As the DUO handle suits all needs - working as an attractive high quality lever handle whilst being DDA compliant – it allows fabricators to carry just one handle in stock to satisfy a number of different applications.

The DUO door handle has a lever that is curved to the door, making it compliant to DDA (Disability Discrimination Act) regulations, making it ideal for applications where aesthetics and compliance are key. As the DUO handle is not BSI Kitemarked, we recommend fitting the Kinetica 3\* Kitemarked Euro Cylinder with it in order to achieve a 3\* Kitemark status for PAS 24 doors.

Finish	243mm Backplate	Material	Coating Guarantee
PVD Gold	DH243-DUO-PVDG-NANOCOAST	Stainless Steel	LIFETIME
Mirror Polished	DH243-DUO-MPSS-NANOCOAST	Stainless Steel	LIFETIME
Satin Stainless	DH243-DUO-SSS-NANOCOAST	Stainless Steel	LIFETIME
Graphite *	DH243-DUO-GRAPHITE-NANOCOAST	Stainless Steel	LIFETIME

\*Made to order

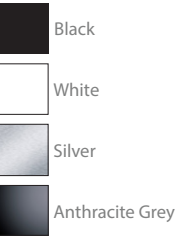

# SIGNATURE RANGE

## 243MM ALUMINIUM DOOR HANDLE

The DOORMASTER® Signature range standard security aluminium door handle has a 243mm long backplate, and is aimed at the fabricator who wants to offer a high quality designed door handle. Each door handle is made from aluminium and has a 5 year coating guarantee.

Contemporary and modern in appearance, the standard aluminium door handle has been cleverly designed to offer a very comfortable grip when operating.

It is recommended to fit a Kinetica 3\* Kitemarked euro cylinder with the door handle in order to give the best security and to achieve a 3 star Kitemark status for PAS 24 doors.

Finish	243mm Backplate	Material Construction	Coating Guarantee
Black	DH243B-SIGNATURE	Aluminium	5 years
White	DH243W-SIGNATURE	Aluminium	5 years
Silver	DH243S-SIGNATURE	Aluminium	5 years
Anthracite Grey	DH243SGREY-SIGNATURE	Aluminium	5 years

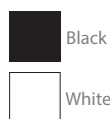

# SIGNATURE RANGE

## 219MM ALUMINIUM DOOR HANDLE

The DOORMASTER® Signature range standard security aluminium door handle has a 219mm short backplate, and is aimed at the fabricator who wants to offer a high quality designed door handle. Each door handle is made from aluminium and has a 5 year coating guarantee.

Contemporary and modern in appearance, the standard aluminium door handle has been cleverly designed to offer a very comfortable grip when operating.

It is recommended to fit a Kinetica 3\* Kitemarked euro cylinder with the door handle in order to give the best security and to achieve a 3 star Kitemark status for PAS 24 doors.

Finish	243mm Backplate	Material Construction	Coating Guarantee
Black	DH219B-SIGNATURE	Aluminium	5 years
White	DH219W-SIGNATURE	Aluminium	5 years

## LEVER PAD DOOR HANDLE

Designed for comfort and ease of operation, the DOORMASTER® Pad door handle has a 243mm long backplate.

Each front door handle has a pad shaped external handle. Handles are non-handed and can be used as either a left or right handed, allowing it to fit a range of profiles.

Each handle comes with a 5 year colour fast guarantee.

It is recommended to fit a Kinetica 3\* Kitemarked euro cylinder with the door handle in order to give the best security and to achieve a 3 star Kitemark status for PAS 24 doors.

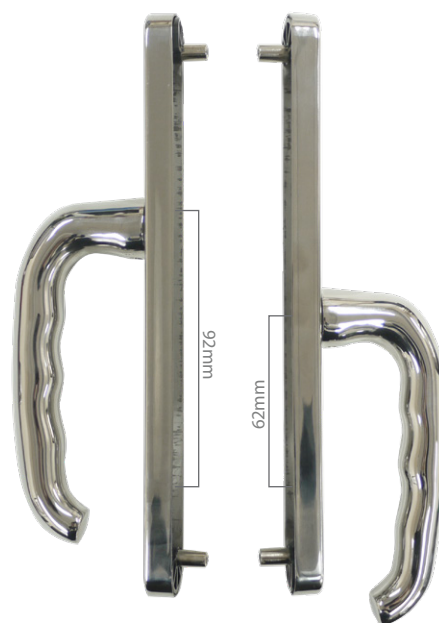

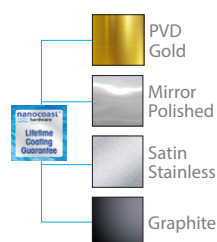

Finish	243mm Backplate	Material Construction	Coating Guarantee
White	DH243-LPW	Aluminum	5 years

# SPLIT SPINDLE

## DUO SPLIT SPINDLE

The Nanocoast® DUO door handle has a 243mm long backplate, and is aimed at the fabricator who wants to offer a high quality designed door handle. The DUO door handle has a tube shaped handle, which gives a very comfortable grip when operating.

As the DUO handle suits all needs - working as an attractive high quality lever handle whilst being DDA compliant – it allows fabricators to carry just one handle in stock to satisfy a number of different applications.

Cylinder and handle snapping protection

Highly durable

## 1\* Cylinder Solution

The handles are ideal to be combined with the ZeroLift 1\* Kitemarked high security cylinder. Combining the Nanocoast high security door handle with the ZeroLift 1\* cylinders will give you a professional security solution.

We have also developed a specially sized 30/35 (65mm) cylinder which is the perfect size cylinder to use on 44mm door blanks with the Nanocoast high security door handles!

Created in accordance with the British Standards Kitemark, and also awarded the "Secured by Design" approval by the Association of Police Officers, the high quality 6 pin double Kitemarked euro cylinder can be fitted to any door in order to ward off criminals that attempt to use the most popular break-in methods.
