

12MM WIDE ANGLE MARINE GRADE DOOR VIEWERS (35-55MM)

Each syphole has gone through rigerous testing, and have each been tested to DHF TS002:2009 which covers Corrosion Resistance, Security (Angle of Vision), Visual Clarity, Resistance to Misting Up, Ability to Clear After Misting, Length Adjustment Range and Marking. The door viewers have also been awarded 'Secured by Design' by the Association of Chief Police Officers.

With a variety of wide angle Marine Grade door viewers homeowners will be able to select the viewer most suitable for their needs and overall home interior and exterior. Whatever their overall door hardware finish is there is a spyhole suitable to match it. Made of 316 grade stainless steel and comprising 3 glass lenses, each syphole ensures to give crystal clear performance for years of safe, secure use.

The 12mm Wide Angle Marine Grade Door Viewers are made from 316 grade stainless steel and are part of the UAP Nanocoast range. The UAP Nanocoast range of products are specifically designed for areas which are within a 25 mile radius of the coast, or within 5 miles of highly populated industrial areas. Each door viewer has been salt spray tested to ASTM B117 for 2,000 hours, and comes with an industry first LIFETIME coating guarantee, as it will not pit, rust or corrode no matter what environments you put them in!
