

THE SOTERIAN SLIM

THE SOTERIAN TS008 LETTERPLATE

Named after the Goddess of Safety, the Soterian Slim letterplate is stylish, streamlined and secure. It is the ultimate TS008 certified letterplate, made to protect and perfect your door. Its extreme compactness is what sets it apart from anything else currently on the market.

CERTIFIRE APPROVED

The Soterian Slim TS008 letterplate has achieved Certifire approval from Warringtonfire Testing & Certification Limited. The letterplate is approved for use with FD30 timber doorsets.

Most Compact TS008 on the market

Full unrestricted door opening – minimal internal flap projection of only 35mm from the door falls within the end of the door handle meaning the door will open FULLY without the letterplate stopping it doing so

MIX AND MATCH SOLUTION

Our revolutionary mix and match solution gives you the freedom to choose what finish you want for the internal and external frame. Whether it is a black inner frame with a white outer frame, or a traditional gold inner flap and gold outer flap – the choice is yours! Choose from 6 different finishes chrome, gold anodised, silver anodised, polished silver, black and white.
