

FLIP FLAG HINGE

The universal flip flag hinge from Security Hardware offers the best functionality with a contemporary design. The hinge is available in several rebate sizes from 17mm to 25mm. The hinge is non-handed, which means it will fit either right or left doors without swapping the pin. Flips from left to right. The hinge is simple and easy to fit, thanks to the universal jig provided. The hinge also has a lift-on, lift-off design.
